

The Chevrolet has met with success beyond the greatest conception of the builders.

Wherever road conditions are such that combined power, durability, strength and lightness are required of a car, the Chevrolet has met with its greatest popularity.

More Chevrolets were sold in the Western States the past season than any other fully equipped car.

Spring is coming and with it that natural longing for an automobile.

If you can afford it buy a car—you owe it to your family. Buy it now—the supply will be limited and prices are advancing.

Buy a Chevrolet—it's a good, serviceable car.

### Don't Make the Mistake

Of thinking you can be cured of Rheumatism by using liniments. It is impossible. If you want the short route to relief, then you want Stech's Rheumatic Remedy, made of roots and herbs, and does not contain morphine, opium, acetanilide or alcohol. Stech's Rheumatic Remedy is taken inwardly. It works on the blood, the only way rheumatism can be cured. Read what others have to say about it:

Wapakoneta, Ohio, Feb. 28, 1917.

Stech Medicine Co.:

After suffering with rheumatism for three weeks and finding no relief whatever, I was induced to try Stech's Rheumatic Remedy. Before I took the medicine I was hardly able to move in bed without terrific pain, but after taking this medicine I was able to be out again in two days' time. I think it the best rheumatic remedy in existence, and I strongly recommend it to any one bothered with rheumatism. Sincerely yours, BERNARD BYRNE.

### Why Malleable Iron Ranges

So that they may be riveted tight like a steam boiler

Did you ever draw two pieces of cast iron together with bolts? Did you get it tight? No; the cast iron broke. Did you ever bend a piece of enameled iron? What happened? The glass covering, the enamel, cracked and peeled off.

Ranges—the perfect cooking machine—must be light as a steam boiler. Nothing that can't stand riveting and drawing tight is worth working up into a high-grade range like the Copper-Clad.

Get a malleable iron range because they are tight and stay tight. While getting, get the one malleable iron range with the solid malleable back flue—the Copper-Clad—the range that CAN'T rust out.

### HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—no good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a purely vegetable compound, mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists. Take one or two nightly and note the pleasing results.
